

Holiday Wish List

The holidays are a stressful time for anyone, but for the children and teens in our care, the holidays can be especially difficult. Our children miss out on the experience of a family or home environment. But with your help, the Northwest Arkansas Children's Shelter is able to provide a warm and happy holiday season. For individuals and groups who would like to help us provide hope this year, we've included a list of items we'll need. More items can be found at www.nwacs.org/needs/ or on our Amazon Wish List under NWA Children's Shelter.
